SoundTouch 30 Series III wireless speaker - Black

738102-1100

Item Description: The SoundTouch 30 wireless music system is wireless music made easy. Stream millions of songs from music services, Internet radio stations and your stored music library – all with exclusive technology that fills even your largest rooms with powerful sound. You can even play your favorite music instantly, without a phone or tablet. Simply press one of six presets on the speaker or remote, and the music starts. For even more options, Bluetooth® connectivity lets you stream any music from any smartphone or tablet.

- The easiest way to play music throughout your home – wirelessly.
- The best-performing one-piece wireless music system from Bose.
- Part of an entire family of Bose sound. From one-piece music systems, to outdoor speakers, to home theater systems.
- Free app transforms your phone into a powerful remote that keeps you in control of your favorite music from anywhere in your home.
- Connects wirelessly to your home Wi-Fi network without any complicated equipment.
- Exclusive Bose waveguide speaker technology produces deep, rich sound with enough power to fill the largest room in your home.
- Add more SoundTouch systems to play music throughout your home. Or different music in different rooms.
- Spotify, Pandora, iHeartRadio and Deezer are integrated into the SoundTouch app to make it even easier. Also, choose from thousands of Internet radio stations and your entire stored music library.
