

Information sheet to be used for:
Patients under 13 years of age

We are pleased to announce the arrival of Tri-County's Patient Portal!

Reaching your child's doctor's office will be easier with the Patient Portal - everything is online!

Here are some of the services you can safely access using the Patient Portal:

- Send secure messages and questions to the office
- Safely and securely request and view your child's test results
- Request appointments and referrals
- View information about your child's medical history in the convenience of your own home

Our Patient Portal is now available to Tri-County Medical patients.
Please ask the front desk staff for more details.

Please let us know if you are interested in using Tri-County's Patient Portal.
