

What our patients are saying

Dr. Elizabeth Siraco

[Blackstone Valley Family Physicians](#)

"Dr. Siraco knows me so well. I am not just the next patient. She looks at me as a whole person not an illness or condition. She takes the next step whenever a specialist is needed. The assistants and office staff always make you feel important and do everything possible to accommodate needs and schedules."

Dr. Patrick McSweeney

[Family Medicine Associates](#)

"My experience with Dr. McSweeney continues to be outstanding. He is ALWAYS on time and take the time explaining things to me about my health."

[Franklin Family Practice](#)

"The level of care I receive from this office is above & beyond my expectations"

Dr. Eric Kohler

[Franklin Primary Care](#)

"This was my first time meeting Dr. Kohler and I think everything went very well. He seems like a great guy and I look forward to seeing him next time. The nurse and staff were also very nice. Thanks to one and all."

Dr. Brian Schneider

[Hopkinton Internal Medicine & Pediatrics](#)

"Excellent service, courteous knowledgeable Doctor. The best I ever had!"
