Centricity: Logging In

Double Click on the Centricity EMR icon

Enter your Citrix username and password (the same as Windows)

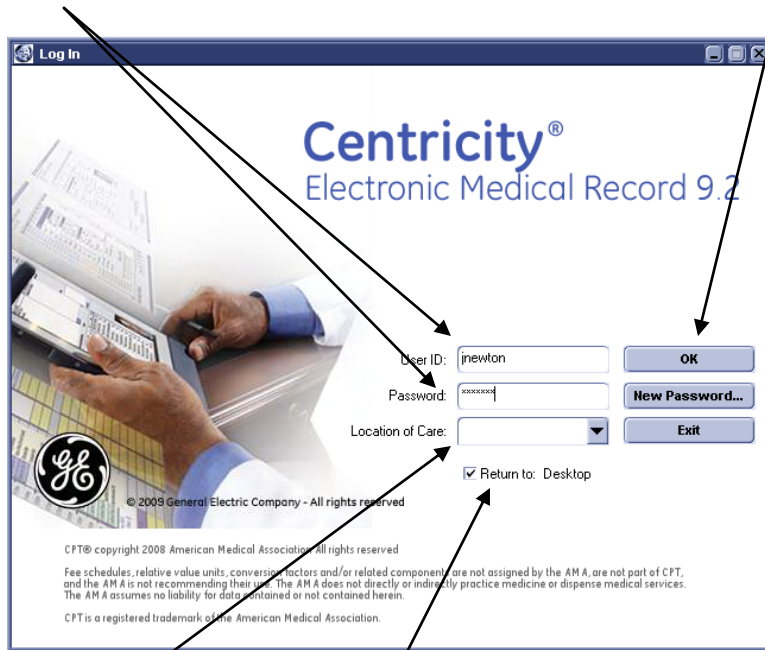

A screenshot of the 'Program Neighborhood Agent Logon' dialog box. The title bar reads 'Program Neighborhood Agent Logon'. The main area has a blue header with 'Program Neighborhood Agent' and the 'CITRIX' logo. Below the header, there are four input fields: 'Username:' with 'jnewton', 'Password:' (empty), 'Domain:' with 'tcmcdical', and a 'Windows' tab. At the bottom right are 'OK' and 'Cancel' buttons. Arrows point from the text above to the Username, Password, and Domain fields.

Domain should be tcmcdical. Click OK.

Username: is the first letter of your first name and your entire last name (in most cases)

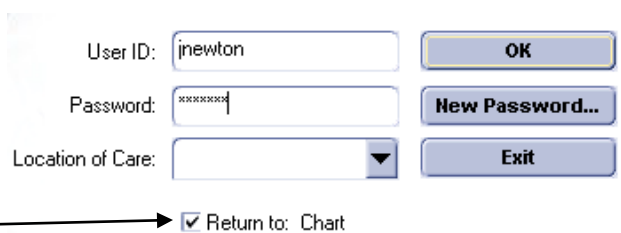

Location of Care: is the site you are working at that day

Enter your Centricity Username and Password then Click Ok

Please Note: Location of Care will default to your last log in.

If necessary, you can change your Location of Care once your password has been entered.

Centricity will default to open to your Desktop with your first log in. Then from where ever you exited the program with your last log in. ex) Chart; if you click exit from the patient chart.
